

Who We Are

Established in 1924, Hillsborough County Council PTA/PTSA provides oversight and support for over 200 local unit PTAs across the county. All PTAs in Hillsborough County are chartered units operating under the umbrella of National PTA, the largest association advocating for students and education. The mission of PTA is to make every child's potential a reality by engaging and empowering families and communities to advocate for all children.

What We Do

HCC PTA/PTSA provides training and support to local units so that they can properly operate with confidence and efficiency. We conduct countywide training events, which are open to our entire membership. We host recognition and celebration events such as our Founders Day event and annual Awards Ceremony. We are one of the few counties in Florida to host a countywide Reflections Ceremony, an art gallery and awards program celebrating National PTA's Reflections Arts in Education program.

How You Can Help

Your sponsorship will allow us to build and improve upon the services we currently offer to our local units, and will enable us to develop new programs benefiting parents and students. In exchange for your support, we offer different advertising and promotional opportunities for your business. See attached page for details.
