Hillsborough County Council PTA is challenging our Hillsborough County Public School students to submit their vision of how to protect source water for the Tampa Bay region’s drinking water supply. The main objective of this arts competition is to raise awareness with the students of Hillsborough County in ways we can protect our water in the Tampa Bay region. We encourage our students to think of where their drinking water comes from and how they can help protect it.

HILLSBOROUGH COUNTY COUNCIL PTA/PTSA ARTS COMPETITION GUIDELINES

VISUAL ARTS include many art forms that are visual in nature. The artist (student submitting entry) is a person who captures their own thoughts and ideas to create a visual piece of art.

Accepted forms of visual art include: Architecture (2D/3D), ceramics, collages, photographic collages (multiple photos cut/pasted), crafts, drawing, fiber work, kites, painting, printmaking, sculpture and wind chimes. Reproductions or enlargements of other artwork are not accepted.

Theme: *Protect Tampa Water*

An explanation of the art form might be a useful addition to the artist statement. Whether an entry displays use of formal technique or a simple approach, it will be judged primarily on how well the student uses his or her artistic vision to portray the theme, originality and creativity.

Copyright: Use of copyrighted material, including any copyrighted cartoon characters or likeness thereof, is not acceptable in any visual arts submission, with the following exceptions:

- Visual artwork may include public places, well-known products, trademarks or certain other copyrighted material as long as that copyrighted material is incidental to the subject matter of the piece and/or is a smaller element of a whole. The resulting work cannot try to establish an association between the student and the trademark/business/material, or influence the purchase/non-purchase of the trademarked good.
- Visual arts collages may include portions of existing copyrighted works, such as photographs, magazine clippings, internet images and type cut out of a newspaper, as long as those portions of copyrighted works are used to create a completely new and different work of art.

Submission Requirements:

- Only new pieces of artwork inspired by the theme may be submitted.
- Each entry must be the original work of one student only.
- 2D artwork (e.g. painting)
 - Dimensions must not exceed 24x30 inches, including matting.
 - Paper entries must be mounted on sturdy material.
 - Include one digital image of artwork with your submission.
- 3D artwork (e.g. sculpture)
 - Must include packaging materials and 3 photos of the entry (a combination of angles) for judging, ID and exhibition purposes (entries that require assembling/repairing from transporting will be disqualified).
 - Materials use must include at least 1 plastic container or plastic bag.
- Framed artwork and artwork containing loose materials is not accepted. Matting is accepted.
- Label back of entry/entry packaging with student name, title of artwork, arts category and division.
- Submit artwork and student entry form according to your PTA's instructions.
- Accepted file formats: JPEG, JPG, and PNG.

The HCCPTA Visual Arts Entry Form must be included with each submission or it will not be accepted.

All participants must be current HCPS students.
